Dear Station Manager:

WCSR is back on the air after a summer of planning for bigger and better programs. We are, however, always open to suggestions and new ideas for improving oursstation. We have heard that your station has an excellent setup and we are very anxious to meet with the officers of your station in the near future to exchange ideas. We feel that both stations would profit from this meeting.

Please let us know when it would be possible for you and your officers to come over to Smith. We are looking forward to hearing from you.

Very truly yours,

Saby Davis
Station Manager, WCSR
